

# How To Get Started On Your Own Custom Guitar

## Where to Begin?

- 1) Check out the guitars in our SHOP and GALLERY, along with the guidance in our BUYER'S GUIDE for inspiration on our [Website](#)
- 2) Download and fill out the [Guitar Worksheet](#) on the BUYER'S GUIDE page
- 3) Email your Guitar Worksheet to Luthier Danny Davis. Danny will call or email you to review your preferences, give you an official quote, and estimate a delivery date.
- 4) When you are ready to move out, submit a \$1500 deposit via [Square](#)

It's that simple! Contact Danny with any questions you may have!

## Terms and Conditions:

It takes an estimated three months from start date for us to custom-build a guitar.

- Deposit is non-refundable after materials have been purchased.
- Remainder of payment is due upon completion and prior to shipment.
- Damage incurred during shipping will be covered by Danny Davis Guitars, including return shipment cost. Immediate notification is required upon receipt of damaged goods.
- Returns and refunds are allowed only if Warranty conditions are met.
- Warranty includes workmanship.
- Price includes free shipping, a hard-shell guitar case and a free instrument set-up and tune-up within one year of purchase. A hand-to-neck fitting during the build process is also included if you can visit our workshop!
